

## SCHOOL HEALTH ADVISORY COUNCIL

The current Hardin County School Health Advisory Council (SHAC) is made up of representatives from most of our Hardin County Schools including an administrator, nurse, former Physical Education teacher and student. Representatives are also included from school nutrition, the healthcare profession, parents and the community at large.

Members of the public are invited to review the current Hardin County Wellness Policy and Guidelines and participate in the assessment, implementation and update of our local school wellness policy. Persons interested in participating may contact any of the following:

Cheryl Cochran, School Nutrition Director, Hardin County Schools at 731-925-3943

Greg Wyatt, K-12 Academic Supervisor, Hardin County Schools at 731-925-3943

Kristy Barlow, Coordinated School Health Coordinator, Hardin County Schools at 731-926-4620

This institution is an equal opportunity provider.
